Dr. Pierce says: "This tonic contains no alcohol to shrink up the red blood corpuscles; but, on the other hand, it increases their number and they become round and healthy. The experience of many is that it helps the human system in the constant manufacture of rich, red blood. It helps the stomach to assimilate or take up the proper elements from the food, thereby assisting digestion and curing dyspepsia, heart-burn and many uncomfortable symptoms, stops excessive tissue-waste in convalescence from fevers; for the run-down, anaemic, thin-blooded people, 'Discovery' is refreshing and vitalizing. Stick to this safe and sane remedy, and refuse all 'just as good' medicines. Nothing but Dr. Pierce's Golden Medical Discovery will do you half as much good."

It has been sold by druggists for over 40 years, in fluid form, at \$1.00 per bottle, giving general satisfaction. It can now be had in tablet form, as modified by R. V. Pierce, M. D. Sold by medicine dealers or sent by mail on receipt of 50-cents in 1 cent stamps.

TABERNACLE FEAST OBSERVED BY JEWS

Celebration Opens This Evening and Lasts For a Week—Is a Harvest Festival of Ancient Origin.

Festival of Ancient Origin.

The Jewish festival of Succoth or Feast of Tabernacles will be celebrated this year from tonight at sundown to Thursday night, at the same time. The festival lasts regularly eight days, and is celebrated by all Jews throughout the world. It was celebrated by the Jews when they lived in Palestine as an agricultural festival, and marked the close of the harvest and the beginning of the rainy season. It was a festival of rejoicing and merry making when the servant was equal to the master and all united in praising and thanking God for His bountiful gifts. The Bible commanded that on this festival all the people should make a pligrimage to the temple at Jerusalem, and there, after offering their sacrifices, should dwell in booths or tabernacles, hastily erected of wood and beautifully decorated with fruits and flowers tf remind them both of the harvest season and how their ancestors had dwelt in booths in the wilderness. Many Jews still observe the latter custom, today, in some synagoges, too, a modernized form of the harvest festival today, in some synagoges, too, a modernized form of the harvest festival is celebrated.

Some also celebrate a supplementary festival on the ninth day, called Rejoicing of the Law, because on that day the sacred scrolls of the Law of Moses are rolled back to the beginning of Genesis and are begun to be read anew. In many synagoges the scrolls are taken from the holy ark, in which they are kept and carried about in solemn procession. Divine services will be held in the

sealed envelope. Please call or write today.

There is a new and marvelous method for restoring lost manly strength, for renewing vigor, which every man should know of, a self-restorer which operates without the use of drugs or medicine, a new way to treat yourself for your ills and weaknesses. See description below. Please remember that a man is not one day older than he actually feels, and therefore no matter what your age, if you are young or elderly, married or single, large or small. If I can show you, reader, how you yourself may actually add to your system, nerves and blood the very nerve force or vigor which may have been drained away, and which is necessary to make you strong, vigorous and capable again, then I have shown you the real secret of perpetual strength, and how you can again be filled with vigor, and again be inst as powerful in your influency and just as theoroughly manly in your capacity as the biggest, fullest blooded, most successful fellow of your acquaintance.

The new self-treatment for the refer above, is a little light-weight.

blooded, most successful fellow of your acquaintance.

The new self-treatment for the restoration of manly strength, to which I refer above, is a little light-weight VITALIZING Appliance of my invention, which is now meeting with a tremendous demand, and being used by men everywhere all over the world. This little VITALIZER, weighing only several ounces, is comfortably buckled on the body and worn all night. It is so small and so compact that even a roommate would not suspect that you were wearing it. If, however, this VITALIZER is small in size, it is not small in power, for it generates a great tangible FORCE, which can be measured on scientific instruments a POWER which I call VIGOR or NERVE ENERGY, and it sends this marvelous FORCE into your blood, organs and nerves while you sleep. All you have to do is to lead a decent, manly man's life, free from excesses and dissipation, then use the VITALIZER, nothing more. If this is followed out and the VITALIZER does for you what these others say it does for them, then all the pain or weakness will disappear from the small of your back—possibly from the first night's use—and you will be restored to a strong, vigorous, manly, capable man, without a single ache, pain or weakness. Please remember, I am not asking you to buy one of these VITALIZERs, but merely request you to first send for the free book described below, a section of which is devoted to an explanation of this VITALIZER, and gives you its whole wonderful story, so that you may know what intelligent young and elderly men everywhere are saying about it.
